

## Trek Parts

Trek Parts - TREK Cleaning Machines is a maker of cleaning machinery. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have more than sixty years of experience successfully manufacturing, designing, developing, marketing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are dedicated to giving top quality and new design concepts to be able to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines always provides fresh design concepts. They like offering items that energize both their dealers and their partners and offer production gains to their clients.

The TREK team of employees enjoys new tasks and new challenges. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' skills and needs along with their understanding of cleaning applications, together with owners' strong desire to significantly lessen expense through productivity gains.

When considered necessary, the workers within TREK and its several dealer members in both technical support and parts would be accessible. Among their core values is their high service devotion in their customer service. Keeping their clients' cleaning machinery working and ready day after day is top priority. The company's top of the line technology delivers reliable machinery which ultimately lessens your cost of cleaning. The price, the service and the product all work as one to make them the leader in the industry.
